

Incarnation Catholic Parish – Music Ministry Young People’s Electronic Consent

In ministering with young people, the staff at Incarnation Parish is committed to following the best practices as laid out in the Protecting God’s Children program. To facilitate ministry opportunities with our young people while still maintaining transparency and allowing parents to fully participate and oversee their children’s music ministry activities, I ask that you take the time to reflect upon how you will allow me to communicate with your child.

This form is intended for children in seventh grade until the age of 18. Please initial each circumstance to which you agree. There is no expectation that you agree to any of these circumstances, however in the event that a parent or guardian does not agree to any of these circumstances, I will contact your child via your home phone number and/or a parent’s email. By signing this form, you acknowledge that your permissions are in effect until you sign, date, and submit a new form.
